Prior to becoming a professional speaker, writing books and living on his sailboat, Kevin worked in Higher Education at several institutions, most recently serving as Dean of Students for High Point University. Kevin's doctoral research focused on motivational self-efficacy influences on student retention.

Kevin's uplifting and high-energy delivery during the Toastmasters conference will inspire you to THINK DIFFERENTLY, DREAM BIG and TAKE MASSIVE ACTION in order to produce game changing results in desired areas of your life. If you have ambitions to take your club, career or personal life to the next level, buckle up for a dynamic and thoughtprovoking keynote speech!

Kevin's keynote will be titled, "The E.D.G.E. Factor: How to Produce Game Changing Results!"

Does success leave clues? You bet it does! And in this special, customized presentation, you will hear the fascinating stories and leadership secrets to help you create massive results like never before. Based on his best-selling book, *"Think Differently to Achieve Success"*, you'll be massively inspired and equipped to apply the *E.D.G.E. Factor* formula in your club, your workplace and in your personal life. It's time to disrupt the status quo and create a new normal of excellence that produces game changing results!

There are two types of dreams...the ones we have when we're sleeping and the ones we make when we're awake!
