6. From Tim Edwards, Club Growth Director – West

It's time to start the mid-year push! Those clubs that have 12 or less members, can request help! It's amazing how having 1 or 2 additional Toastmasters (Club Coaches) can help inspire a club to reach their DCP goals. Net Growth of 5 members and meeting 5 or more goals for the club will make Distinguished status. Officers just need to reach out to Karlene (East) or Tim (West) to officially request a coach. In the WEST, we currently have openings for Club Coaches in the following cities: Asheville, Winston Salem, Thomasville, Greensboro and Charlotte.

7. From Karlene Fyffe-Phillips, Club Growth Director – East

Do you have the desire to help out a club? Consider being a club coach! The experience is greatly rewarding. Share your knowledge and enhance your communication and leadership skills as you help rebuild a club. The D37 Club Growth Team East is looking for motivated people who want to serve as a club coach and assist the club in achieving Distinguished status in the Distinguished Club Program (DCP). We are especially looking for Toastmasters willing to coach in the Rocky Mount or New Bern areas. Check out the Club Coach FAQ on the Toastmasters International website. If you are interested in serving as a club coach or your club would like a coach assigned, please contact Ruby Wells, D37 Club Coach Chair East, at Ruby.A.Wells@gmail.com for more information.
