Monthly Zoom Conversations Continue in November

We have had very successful online conversations so you won't want to miss those this month! See event details including access instructions in the complete District calendar.

- <u>Trio/Division Directors</u> Keeping in touch throughout the month is vital for our leadership team. These semimonthly calls on the 1st and 3rd Sundays of the month allow us to stay engaged to promote communication throughout District 37. The next call this month are on November 4th and 18th.
- <u>Area Council Mentoring</u> Rei Fuller and Karlene Phillips facilitate conversations every 2nd Sunday where topics include why council meetings are impactful, different ways to accomplish this task, how to address challenges to regular council meetings and the benefits to the clubs throughout the year. The next Area Council Mentoring call will be on Sunday November 11th.
- <u>Club VPPRs</u> can have a conversation with the PR team every 4th Sunday about the challenges they may be having and how we can solve them as well as to share ideas benefitting other clubs. We are especially interested in the energy and activity at the clubs so please share what your club is doing.

Here are some tips for using Facebook for your club (courtesy of District 44)

The PR Team has been recording and posting **videos** to our District 37 <u>Youtube Channel</u>. These include David and Remy's two-minute tips for Pathways, Club Web Sites, and more, and Voices of Millennial Toastmasters.

Discovering Pathways

Each month we would like to call attention to one of the ten paths in the Pathways Learning Experience. This month, learn more about <u>Strategic Relationships</u>

Visit Our District 37 Pathways Resource Page

The District 37 Public Relations team has created a <u>Pathways Resource Page</u> on the District Website that provides video tutorials, guidelines for Toastmasters and Base Camp Managers, and insights on the Pathways Learning Experience. We're adding content every month so check the page regularly. Do you have challenges or questions about Pathways we can address on the resource page? <u>Contact us!</u>

We need your ideas for resources to add! David and Remy ask for your help on this brief video.

District Reformation

We've also added a page with information about <u>District Reformation</u> in 2020 (that is, the subdivision of District 37 into two separate Districts.) District 37, after July 1, 2020, will cover all clubs west of the north-south line that is the border between Guilford (Greensboro) and Alamance (Burlington) counties. The new District 117 will cover all clubs to the east of that line.

Club Success Tip for November

In the October Zoom Conference Call held with Club VPPRs, we discussed how clubs can build their membership by joining their local Chamber of Commerce. Clubs are allowed to join CofCs and should look for nonprofit membership rates if those are offered.

The benefits of joining include exposure to businesspeople and professionals who find Toastmasters valuable in their careers, access to promotional tools and special networking events, reduced rates on rental space, and helpful advice from members of the business community.

But there are challenges. To make a CofC membership work the club must participate consistently in Chamber events, assertively network with Chamber members, and take advantage of every membership benefit that can help the club.

Special Recognition: Another D37 Club Success Story

"Central Carolina Toastmasters is a community club located in Sanford, NC. The club was charted in April, 2009 by graduates of Central Carolina Community College's first public speaking class. The club meets on the Lee County campus of Central Carolina Community College. The Club was recognized as a distinguished club in 2010 but soon began to struggle with membership. By May of 2017, the Club had five members with only three members actively attending meetings..." Read more.

This month's article: What DCP Points Really Mean

"Recognition is an essential part of the Toastmasters program. It's the fuel that keeps the engine running toward members reaching their goals. Our version of a leaderboard is the Distinguished Club Program. The effort to become a Distinguished club is a worthy pursuit. There is nothing like the pride a club has in announcing that they are a Distinguished club....." Read more
