

Greetings from Dr. K, Club Growth Director, East

As we transition to a new Toastmasters year, I'd like to commend each of you for your hard work and resultant accomplishments. Let's keep the momentum going by investing time in the creation of both individual and club success plans for the new year. Having a clear plan is the key to success in any endeavor.

As Club Growth Director East, I'll be focusing on supporting existing and prospective clubs by bolstering our coaching and mentoring programs. This important task requires a strong team and a clearly defined plan. Consequently, I am inviting anyone with a passion to help others grow to contact me about how you can be part of this team.

Let's work collaboratively to ensure that all our members – current and prospective – have the very best experiences on their Toastmasters journey! Members who have great experiences will become ambassadors by telling others about the benefits they have gained. Word of mouth is one of the most powerful PR tools; let's use it!

I wish you all an exciting and productive year and I look forward to hearing from you about getting involved in club growth activities!
