

District Director's Corner

January 2020

Happy New Year from the District 37 Leadership Team!

2020 promises to be an exciting year for District 37 Toastmasters. We have a new Digital AD campaign that will start this month. The last opportunity to earn the Distinguished Toastmasters Award (DTM) under the legacy program ends in June. The split of District 37 into two districts will happen July 1, 2020. Are you ready? Have you made your New Year's resolutions?

Have you made it a goal to invest in yourself by earning at least one education goal before the end of the Toastmasters year June 30, 2020? If not, there is still time. Please take a moment, before the year gets in full gear, by putting together your plan while both the legacy and Pathways programs are available. You will be a stronger you and District 37 will be a stronger District. When you earn that award, let us know about it so we can celebrate with you.
