### **The Secret Benefits of Toastmasters Leadership**

Over 60% of employees aren't engaged in their jobs and I believe it's because we follow what we think we should be doing. We forget to spend time actually looking at what we want to do. This session aims to help Toastmasters craft personalized career goals and build their personal brand, especially at a large networking event such as our conference.

- Gain clarity on your career goals and aspirations.
- Develop a strong personal brand that differentiates you in the job market.
