

Welcome to Pathways – Your Journey Begins Here!

Congratulations on taking the first exciting step toward unlocking your potential as a communicator and leader. You've joined Toastmasters at a pivotal moment in your personal growth, and we're thrilled to walk this path with you.

Pathways is Toastmasters' dynamic and interactive education program, designed to help you thrive in the 21st century. Since its launch in 2017, it has empowered members across the globe to grow through cutting-edge, self-paced learning tailored to their unique goals. This is more than just a program—it's your launchpad to confidence, clarity, and leadership excellence.

As with any new adventure, there's a bit of learning to do. But don't worry—you're not alone. Your Vice President of Education (VPE) will personally guide you through the essentials. Together, you'll explore **Base Camp**—your personalized online hub—and learn how to complete your first major milestone: the **Ice Breaker speech**.

Before that, you'll take a brief, fun assessment to help identify the learning path that best matches your goals and passions. There are several exciting paths to choose from, and you're free to select the one that inspires you most. We encourage you to take a moment to review the *Path Summary Descriptions* you've received, so you can begin your journey with purpose and confidence.

Prefer working with printed materials? No problem! While most members find the online format flexible and easy to use (with the option to print any content you like), a printed version is available for selecting paths. If you're considering this, our VPE can help you weigh the pros and cons.

We are so proud to have you with us. Toastmasters is a community built on support, progress, and courage. Your voice matters—and we can't wait to hear it in your first speech.

Your journey starts now. Welcome to Pathways. Welcome to Toastmasters.

Sincerely,

LaBrenda Slayton
